Dear Parent/Carer

As we near the end of the Summer term, I would like to thank you for your support during these different and challenging times for our school.

The pupils continue to cope well with the measures we have in place and the way the school is required to operate since we reopened.

As the Summer holidays approach, you may be thinking of taking your family abroad. I would therefore respectfully remind you that if you return from, or travel through, a country which is on the red or amber quarantine list near to when schools return on 18 August 2021, you should not send your child(ren) back to school until they have completed the required testing and quarantine period of 10 days. Home learning and remote support will not be provided by the school over the period of quarantine for these circumstances.

Further information regarding quarantine arrangements is available at:

I look forward to welcoming all pupils back after the holidays on 18 August 2021.

Yours sincerely
