

# Safer Schools Scotland

The online world can be a bit overwhelming at times but it important that we understand what our children are doing online so we can help make them safer. The Safer Schools Scotland App aims to help with this.

We are delighted to invite you to download our NEW Safer Schools Scotland App provided by our school insurance provider Zurich Municipal. Please note that this is a new app and if you have a previous version, you can delete this and download the new one. Look out for the blue and white logo.

## About the App

The app is designed to support and protect children by educating and empowering you with knowledge of the most recent changes and updates in the technology your child uses. Through your log in, you get access to information that is relevant to you and your child and you will receive tips and advice on how to keep them safer online.

Simply search 'Safer Schools Scotland' into your app store and download to your device.

Make sure to enable push notifications to keep up-to-date with the tips, advice and guidance on how to make your children safer.
