

Did you
know?

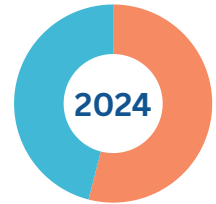

DISPOSABLE VAPE BAN

From 1st June 2025 the sale
and supply of single use
'disposable' e-cigarettes
and vapes will be banned.

Why?

Between 2020 and 2024
disposable vape use among 11-17
year olds increased from 7.8% to
54%.

In Scotland it is illegal:

✦ to sell e-cigarettes to under 18s ✦
✦ to buy e-cigarettes on behalf of under 18s. ✦

Vapes Are Not Risk Free

Vapes are health
harming products.

Vapes should not be
used by children and
young people.

Most Vapes Contain Nicotine

Nicotine is an
addictive drug.

Nicotine use from a
young age can harm
brain development.

Environmental Harm

Vape waste is
extremely harmful to
our environment.

In 2024 an estimated
8.2 million disposable
vapes were binned or
wrongly recycled
weekly in the UK.

What else would you like
to know about young
people and vaping?
