

# Fossoway Primary School

## Learning Overview

### Term 1

### Primary 2

#### Literacy

- Develop my use of openers and connectives within sentences that I write
- Using phonemes to spell and read new vocabulary accurately
- Use vocabulary related to our learning context in our writing
- Read a variety of texts, including the internet to find and share information

#### Numeracy and Mathematics

- I will be able to find the missing piece to 10
- I will be able to gather data and present information using pictograms
- Identify shapes and spot symmetrical items in my surrounding environment
- Count numbers within 100, recognising and identifying patterns which exist
- Add and subtract one from a number within 20

#### Health and Wellbeing

- I will use various skills in order to control a ball during games and activities
- I will develop my skills in working with others, considering how to treat others respectfully
- I will become aware of the different jobs which exist within my community

#### Highlights from other areas of the Curriculum

- I will show awareness technology around us and how this helps in our daily lives
- I will develop my skills in using materials to construct models

#### Skills we will develop

- Asking questions which extend my understanding
- Listen to others, selecting information I might need
- Sharing resources within a team

#### Interdisciplinary Learning

- Develop my understanding of how land is using in my surrounding area
- Develop my skills in gathering information and sharing this with others
- I will be able to identify similarities and differences in how I live compared to the life of people in the past

#### Notes about the upcoming Term

- We will continue to use play to develop our understanding of the world and our learning context
- We will take part in Bounce Back activities
- We will use the outdoors to learn more about our community and the environment we live and work in
