

In Primary 5 skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, group work and a variety of independent and cooperative learning activities and experiences.

Learning Intentions

Literacy: Writing, Listening and Talking

Learning Context: Religious and Moral Education - Christianity

We will be learning to:

- find and highlight key words in an information text
- use these words to create our own text
- take notes from an audio text
- use our notes to rewrite the text in our own words

Literacy: Reading, Listening and Talking

We will be continuing our learning to:

- develop our critical literacy skills
- contribute and share our ideas and opinions with others
- show respect for the views of others
- apply our reading skills and strategies to read and understand texts, for example, making predictions and analysing themes and characters
- support our opinions with some evidence from the texts

Numeracy and Maths

We will be learning to:

- develop our addition and subtraction skills
- solve word problems
- develop our speed of recall of the times tables and addition facts
- develop our knowledge and skills about time

Health and Wellbeing

Learning Context: Building Resilience – Be Kind to Others

We will be learning:

- Kindness makes a difference to ourselves and others.
- Being unkind hurts others and it hurts us too.
- It is important to be kind to yourself.

PE

Learning Context:

We will be learning to:

- use the correct technique in a variety of circuit exercises.
- improve our technique by listening to our teachers and our friends.
- challenge ourselves at every station.
- support and encourage our partners.

PE days are Wednesdays and Thursdays.

How you can support learning at home: Please read with your child at home and discuss their reading book with them. Weekly homework will be set on a Tuesday. Please encourage your child to do their reading homework as there are comprehension activities relating to their reading book in class. School reading books are only a part of your child's reading. Regular reading of other material at home should also be encouraged. Please also encourage your child to practise their tables regularly to ensure they are retained. Your child's spelling words will be copied into their iPad and a list of spelling activities are available on the School website, if you would like to practise at home.
