

In Primary 7, skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, group work and a variety of independent and cooperative learning activities and experiences.

**Learning Context: WW2****Learning Intentions****Literacy -  
Writing****We will be learning to:**

- consistently apply basic punctuation to written texts
- consistently apply known spelling rules to written texts
- understand the effect of, and apply, more complex punctuation in written texts
- apply learned techniques to create poems
- use the appropriate style and format of a letter to convey information

**Reading**

- to analyse a range of poems, commenting on figurative language (imagery) structure and theme.
- demonstrate our understanding of a text by answering a range of questions

**Listening and Talking**

- communicate clearly, audibly and with expression
- plan and deliver an organised presentation with relevant content and appropriate structure
- use suitable vocabulary for purpose and audience
- select and use resources to support communication

**French**

- recapping numbers and colours

**Numeracy****Context: Fractions & Percentages****We will be learning:**

- how to calculate percentages and fractions of a quantity
- how to show the equivalent forms of fraction and decimal fractions
- how to compare and order fractions
- how to express fractions in their simplest form

**Context: Money****We will be learning:**

- how to carry out money calculations using addition, subtraction, division, and multiplication
- how to compare costs and determine what is affordable within a given budget for an enterprise activity

**Health and Wellbeing****Learning Context: Building Resilience – Talk things over****We will be learning:**

- I understand that worries are just thoughts
- I am learning strategies to manage my worries
- I am learning to put my worries into perspective

**P.E.****Learning Context: Netball & Basketball****We will be learning:**

- to practise and consolidate ball skills
- to apply movement skills creatively and accurately with control
- to sustain level of fitness

P.E. days are Monday & Tuesday.

**How you can support learning at home:** Please look at our Home Learning channel on Teams for information.

**iPads:** Please support your child to ensure iPads are brought fully charged to school each day.

**Stay in Touch:** Please get in touch by e-mail if you have any queries:
