

Literacy

Children will:

- Further develop using full stops and capital letters in more than one sentence.
- Develop their use of other punctuation when appropriate.
- Develop personal writing including saying how they feel.
- Listen to and identify the main events from a story or personal experience.
- Identify vowels and constantans.
- Understand the terms plural and singular.
- Continue to develop their spelling through practising their tricky words and spelling patterns.
- Develop their use of expression
- Practice the weather and seasons in French

Health and Wellbeing

Children will:

- Understand things humans do have an impact on the world.
- Understand that by making small changes to the way we live can make a big difference to the environment.

In PE children will:

- Develop their running, jumping and throwing skills through athletics.
- Develop their ball skills through tennis

Context for Learning—Food and Farming

We will be exploring where our food comes from its seasonality and the cycles of plants and animals.

In Primary 2, skills knowledge and understanding are developed through a range of teaching and learning opportunities including direct teaching, targeted group time and tailored learning areas in the classroom and outdoor environment.

Numeracy and Maths

Children will:

- Continue to develop their understanding of number sequences
- Develop a deeper understanding of addition and subtraction through word problems and variety of different methods.
- Continue to develop multiplication and division skills.
- Develop their knowledge of measure (distance, weight, volume and temperature)
- Develop a deeper understanding of halves and quarters

How you can help at home...

Share books and encourage the children to use different voices for different characters.

Look at food labels to see where the food has travelled from.

If you wish, try growing some food at home

Discuss what you do at home to help the environment (walk instead of drive, recycle, reuse things etc)

Home Learning

Regularly practise 'Learn its' from the homework sheets.

Regularly practise 'Tricky word' spellings from the homework sheets.

Listen to your child read aloud from their reading book and discuss what they have read.
