How you can support learning at home: Please continue to encourage your child to read for pleasure at home. School reading activities are only a part of your child's reading.

Please encourage your child to practise their Multiplication Tables and Common Spelling Words regularly to ensure they are retained.

It is really helpful if iPads come to school fully charged each day and with updated software when applicable.

Date for diaries: Primary 7 will be hosting a Remembrance Assembly for the whole school on the Friday the 10th of November in the morning in the dining hall.

All are welcome to come and watch!
