

In Primary 4/5 skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, group work and a variety of independent and cooperative learning activities and experiences.

## **Learning Intentions**

### **Literacy: Writing, Listening and Talking**

#### **We will be learning to:**

- recognise features of persuasive texts
- use persuasive features to create different texts

### **Literacy: Reading, Listening and Talking**

#### **We will be continuing our learning to:**

- develop our critical literacy skills
- apply our reading skills and strategies to analyse and show our understanding of texts
- develop our presentation skills by planning and presenting short speeches

### **Numeracy and Maths**

#### **We will be learning to:**

- develop our multiplication skills and division skills
- develop our understanding of measure
- develop our understanding of shape
- develop our speed of recall of the times tables

### **Health and Wellbeing**

#### **We will be learning to:**

- respond to challenges and setbacks
- develop strategies to discuss our emotions

### **PE**

#### **We will be learning to:**

- develop our ball game skills
- develop our respect and tolerance

PE days are Mondays and Wednesdays

**How you can support learning at home:** Please read with your child at home and discuss their reading book with them. Weekly homework can be found on your child's iPad, in Showbie, under Literacy. Please encourage your child to do their reading homework as it links to learning that takes place during the school day. Regular reading of other material at home should also be encouraged. Your child's spelling words are on their iPad in Showbie, under Literacy, if you would like to practise at home. Please also encourage your child to practise their tables regularly to ensure they are retained.
