Health and Wellbeing

Learners will:

- Explore how being kind makes a difference to ourselves and others
- Know and demonstrate how to keep ourselves safe when crossing the road and when out and about in the darker nights

In PE children will:

- Explore ways of moving rhythmically, expressively and playfully to music
- Develop their throwing and catching skills and hand eye coordination through ball games and activities

Context for Learning

Toys and Forces

Religious festivals and celebrations

Nativity play– “Shine Star, Shine”

In Primary 1, skills, knowledge and understanding are developed through a range of teaching and learning opportunities including direct teaching, targeted group time and tailored learning areas in the classroom and outdoor environment.

Numeracy

Children will:

- Continue to extend their knowledge, understanding and skills in number through practical activities and games that include recognising, ordering, counting and forming numbers
- Begin to develop addition and subtraction strategies.
- Learn to collect and display information using simple pictographs and tally charts
- Use vocabulary such as most, more, less than, fewer to describe information displayed on their graphs and charts

How you can help at home...

- Practice sounds regularly and support reading activities. to use their sounds to read and build CVC words e.g. cat, dog, pin, sun.
- Encourage your child to be as independent as possible in dressing themselves for winter and organising their belongings.
- Encourage your child to count and compare amounts and use mathematical language at home, e.g. more/less
- Support your child to learn to read their tricky words.
- Help your child to learn their script and song words for our nativity performance (once parts have been given).
