

In Primary 5 skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, group work and a variety of independent and cooperative learning activities and experiences.

Learning Intentions

Literacy: Talking

Learning Context: Our school playground

We will be learning to:

- further develop our talking and presenting skills
- engage an audience

Literacy: Reading and Listening

Learning Context: Short film

We will be continuing our learning to:

- develop our critical literacy skills through questioning

Literacy: Writing

Learning Context: Short film

We will be learning to:

- create stories with interesting and appropriate structures with characters or settings that come to life

Numeracy and Maths

We will be learning to:

- develop our fractions skills
- further develop our speed of recall of the times tables
- calculate the area of 2D shapes
- read and interpret different types of graphs

Health and Wellbeing

We will be learning to:

- assess and manage risk
- protect ourselves and others
- reduce the potential for harm

PE

Learning Context: Athletics

We will be learning to:

- develop our running, jumping and throwing skills
- develop our swimming skills

PE days are Tuesdays and Wednesdays

How you can support learning at home: Please encourage your child to do their reading homework which includes a short summary of chapters read. Please read with your child at home and discuss their reading book with them. Weekly homework will be set on a Monday and can be found on your child's iPad, in Showbie, under Literacy.

Your child's spelling words are on their iPad in Showbie, under Literacy, if you would like to practise at home.

Please also encourage your child to practise their tables regularly to ensure they are retained.
