

In Primary 6 skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, group work and a variety of independent and cooperative learning activities and experiences.

Interdisciplinary Learning Context (Topic): Textiles and Enterprise
Core Learning Intentions:

Literacy – Reading**We will be learning:**

- to make relevant comments about structure, characterisation and/or setting while listening to, watching or reading a text
- to relate the writer's theme to our own and/or others' experiences
- to respond to literal, inferential and evaluative questions

Writing**We will be:**

- learning about techniques used in poetry and applying them to create texts of our own
- learning about techniques used to persuade and applying them to create texts of our own
- developing our technical accuracy (spelling & grammar including punctuation)
- developing an efficient & legible handwriting style (cursive or printed)

Talking & Listening:**We will be developing:**

- our listening skills, building up to multi-step instructions

French**We will be:**

- learning vocabulary for parts of the body and clothing

Numeracy and Maths**We will be developing:**

- our understanding of maths related vocabulary
- our ability to select the most appropriate strategy for multiplication and division calculations
- our understanding of fractions (decimals and percentages – time dependent)

Health and Wellbeing**We will be learning:**

- about neurodiversity
- Building Resilience strategy: Keep Connected

PE - Learning Context: Ball games & Social Dance (Miss Edwardson) / Team work and problem solving (Mrs Robson)**We will be:**

- developing awareness of a range of skills & tactics
- practising skills in order to improve

PE days are Mondays (Mrs Robson) & Wednesdays (Miss Edwardson)

How you can support learning at home: Please continue to encourage your child to read for pleasure at home, writing one summary sentence in their diary. The aim is to read 5 days out of 7 for around 15 minutes each time.

Spelling and handwriting (using common words) are practised daily in school. These can also be found on your child's Showbie app if you would like to reinforce this at home. It is beneficial to provide opportunities to write and encourage a neat handwriting style (cursive or printed) at home.

It is helpful if iPads come to school fully charged each day and with updated software when applicable.
