

Greenburn Gossip

Dream, Believe, Achieve

March 2023

We're back!

Hello to our Greenburn family and friends! We are so glad to be back providing you with the latest news from our wonderful school. Due to staffing we had to take a break but are back to fill you in on what has been such a busy time for us all. We have lots of reasons to celebrate and as always our children have been making us proud with their great achievements. So grab a cuppa, relax and enjoy reading about our latest adventures.

Ceilidh for Burns

This year we celebrated Burn's Day in style with a whole school ceilidh. The children all came together to learn some new dances like the Gay Gordons and Strip the Willow. We finished with a fabulous finale to Loch Lomond!

Miles in March

We have just launched our walking challenge for March. The whole school came together to celebrate the start of our journey and went for a walk in the local area. Each class is trying to walk as many miles as they can in March and children will add stars to our school badge for every mile they complete. Don't forget to let us know about miles at home. You can do this via Google classroom or Facebook.

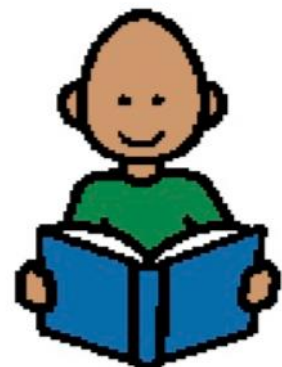

Transitions Update

Our pupils heading on to high school have already started their transition visits. Sanderson HS had the primary 7's to visit and the children were all just wonderful. Very inquisitive in their new settings. Rutherglen visits start next week and I'm sure they will all do really well. A full transition programme will take place from now until June. Class teachers will send out dates and feedback through google classroom.

Ash Wednesday

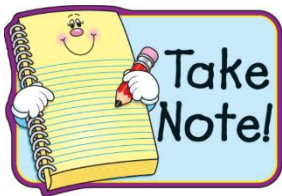

The RC pupils attended Ash Wednesday Mass in St Bride's Church. There were fabulous, so well behaved and the parishioners were very welcoming as was Fr McGahey. One of our pupils met his gran there, it is lovely to be involved in our local community. Fr McGahey intends to come up to the school to meet the children.

World Book Day 2023

CROSS COUNTRY CLAN

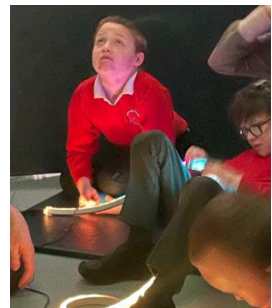

Congratulations to our fabulous cross country runners who took part in the West of Scotland Cross Country race. The children did a fantastic job of representing Greenburn and ran their hearts out. All pupils received a medal for their participation and were delighted to show them off around the school. A special mention for Hazel who came 2nd place in the Girls Primary Race and came home with two medals!

Workshops for parents on Positive Relationships and Distressed Behaviours are being offered this term. A survey will come out soon by email for you to complete if you wish to attend.

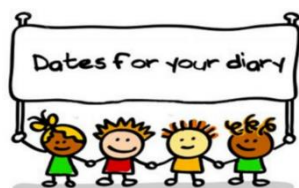

Soundplay

This session some classes have been enjoying weekly sessions with Soundplay. All classes will get the opportunity to experience these fantastic session which use technology, sound and art to make accessible interactive objects to create serious engagement through play.

Upcoming Dates

30th March - Daffodil Tea @ 1.30pm

Thank you to our parents who have been coming in to work with Charan. We hope you are feeling the benefit!
