APRIL EDITION

Spotlight on The Monkeys (Room 6)

Pupils in the Monkeys have packed a lot into a short month! We learned all about Easter and the traditions that come with it, as well as learning about Spring. The children have enjoyed their Spring art activities and especially liked making some flower soup!

The pupils have been learning all about different 2D and 3D shapes, and how they relate to the real world e.g. a clock being round. We have enjoyed spotting different shapes when we have been out on our community walks. The children are loving the benefits of our hydrotherapy pool and enjoy spending time together in the pool playing, exercising and socialising.

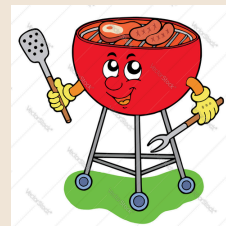

Out on our educational visits to cafes, we have been focusing on sitting together as a group to enjoy our snack.

We hope everyone had a lovely Easter holiday. We are all recharged and ready to go for a busy summer term ahead! Thank you so much to the parent council who organised a great Easter Egg Hunt for the children on the last day of term. Lots of fun was had hunting - and eating - lots of eggs and Easter treats out in our playground. We are now getting settled back into our class routines and the staff are all working hard on setting new individual targets for the children for the term ahead.

We are delighted to announce that Ann Topping has had a beautiful baby boy, Malcolm, born on 2nd April. Both baby and Mum are doing well.

HEAD TEACHERS BLURB

Hi Everyone,

April is a short month with all the holidays but we still manage to achieve such a lot as a whole school community.

The visits to our new Primary 1 pupils' nursery have started and our P7's have been to their schools for their transition planning.

The Kilt walk was a huge success raising over £2000 and we still have the sponsor forms to add. We can thank you all enough for supporting this. Some of the money raised will help with SLC's 'Cost of the School Day' agenda, in that we will be able to pay for the school trips in June. You should only have to pay for your child's packed lunch should you choose to send them with one. Thanks again, to the Parent Council for organising this event you do not know how much support this is!

Preparations are well underway for the P7 trip to Centre Parks on the week of the 19th May. Their leavers hoodies have been purchased and they will look great in them as they leave for their trip. Staff can't wait!!

Many parents and staff were involved in the real Kilt Walk for their own charities, what an achievement! You are inspirational.

The Easter Bonanza organised by the Parent Council was just fabulous the children had a great time and the Easter Bonnets were all superb.

On a sadder note I would like to give you early 'save the date' notice. We will be having an assembly in memory of Amy Souter on Friday 30th May at 11am. We hope you are able to come along and celebrate Amy with us.

I know you have asked on Facebook however just a wee reminder that the children are not at school tomorrow Thursday 1st May. The children are in at school on Friday 2nd of May, and then the children are not in on Monday 5th May. We understand how confusing this is for everyone. Have a lovely weekend I hope the sun shines for us all.
