## Spotlight on The Giraffes (Room 3)

This term the Giraffes are learning about our senses. Our activities included exploring our sense of smell by mixing flower petals with water to make perfume. When exploring our sense of hearing we listened to different sounds using headphones and matched pictures to the sounds we could hear.

We are really enjoying working with Cit from 'Hear My Music' each week. The children are so engaged and completely mesmerised when she plays beautiful tunes on the violin. Look at Koa play that guitar!

The focus for our weekly educational outings is shopping and having snack in the cafe. The children are making great progress with this. In honour of the upcoming Book Week everyone enjoyed exploring books in the local library. We then headed to the cafe for snack. Look at Jacob and Blayton chilling at the ice rink!

## FEBRUARY EDITION

WOW! We are heading into March already! Let's hope this also means we are heading into some brighter weather and nicer days! Although February has been a short month - we have managed to cram lots in! Lots of great learning and experiences in all of the classes and lots of lovely work with Emily and Cit, our music therapists and Rona who delivers Rhythm Time sessions to all of the classes. We have had sports coaches in the school every Monday throughout February who have delivered lots of fun sports sessions and activities to all of the classes. Our Sports Ambassadors have not only joined in sessions with their own class but have helped out the younger classes too - they were a great help to the coaches! Our Inclusive ECO committee had a great time tree planting this week! They were helping the Rotary Club with their tree planting project near the Alison Lea Medical Centre - a bit muddy, but lots of fun!

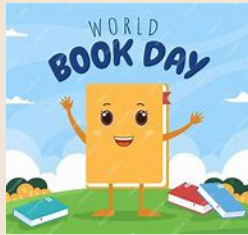

## LOVE IS IN THE AIR...

Our Wellbeing Ambassadors met on Friday 14th February for their monthly meeting. As it was Valentine's Day, our ambassadors made beautiful Valentine's treats for all of their friends in school. They used our orange emotion cog and chose the happy emotion symbol to link to the lovely treats to make their friends happy on Valentine's Day!
