Dear Parent/carers,

### **UPDATE ON REPORT CARDS AND NEXT SESSION**

I really appreciate your patience and support in waiting for report cards and arrangements for next session. As soon as possible, you will receive reports cards along with an individual letter issuing information regarding your child / children's groupings and timings for August. I am still waiting to receive final guidance from South Lanarkshire Council. As soon as I receive this, the letters will follow immediately.

During such challenging times, we have to remember that the next phase is an emergency recovery plan following the pandemic. It is highly likely that all schools in South Lanarkshire we will be on a model that allows half the school / nursery roll to be in at any one time, as advised by the Scottish Government.

I want to reassure families that we have considered a number of important factors and variables. It has been a lengthy and complex task, which may even change before the school fully re-opens in August. This will solely depend on government advice and guidance. Thank you again for your ongoing support and patience during such difficult times.

Yours faithfully,

*Suzie Wood*
