Dear Parent/Carer

CLASS CONFIGURATIONS FOR 2020/2021

Following confirmation of the new school model that will begin in August, I am now in a position to let you know about class configurations for next session. As in prior years, and with our fluctuating school role, some stages will be required to move to composite classes. Information on how composite classes are devised can be found on the app.

I appreciate this is far from ideal especially at this time; however it does mean that class numbers will be smaller in most cases. The class configuration will be as follows -

Room number	Class	Teacher(s)	Number of children
Nursery	Nursery	Mrs Griffiths	
1	Primary 1	Mrs Andrews	18
2	Primary 1/2	Miss Clowes	17
3	Primary 2/3	Miss Haverstock & Mrs Frame	25
5	Primary 3/4	Miss Gallagher & Miss Gordon	24
6	Primary 4/5	Mrs Roberts & Mrs Hutchinson	24
7	Primary 6	Miss Dalglish	25
8	Primary 7	Miss Dunlop	27

Mrs Frame, Miss Gordon, Mrs Roberts and Mrs Hall will also be teaching and supporting specific classes.

On Thursday 18th June, school reports will be posted with your child's class enclosed. It will also set out which days your child should attend school. **Priority has been given to ensuring siblings attend on the same days.** In the letter, it will also set out the criteria that has been used to split each class between the two groups. Please note, nursery groups are still to follow, as guidance has only been issued from the government yesterday.

During these difficult times, we all have to adapt to adverse situations and circumstances. I appreciate how challenging this is for all our families. You will realise the complexity and challenges that this process has entailed. Unfortunately, this means there is no flexibility following a fair and robust process.

Should you wish any further information, please do not hesitate to contact the school.

Yours sincerely

Suzie Wood
