Welcome Baby Frame

Congratulations to Mr and Mrs Frame on the safe arrival of baby Lewis, he is absolutely adorable. It was a lovely surprise for P2/3 when he joined the live meet online recently.

PARENT / CARER CONSULTATIONS

Telephone appointments are taking place over the next couple of weeks. This is an opportunity for you to talk with your child's teacher. P1-3 children should all have come home with the time of your appointment on a sticker. Primary 4-7 children should now have received a text message confirming a time. We thank you for being so flexible and for your ongoing support. **Please be aware, the call may be from a withheld number.**

World Book Day is taking place on **Thursday 04 March**. This year the theme is 'Share a story anytime anywhere'. There will be a variety of things taking place in school and online, please see app for supporting resources.

Children will also receive their £1 book token in the month of March.

Spring is finally here!

Here are a couple of pictures of local lambs, thanks to Miss Dalgleish. Here's hoping there is more sunshine ahead.

Return to school

We are so pleased to have our nursery, Primary 1, 2 and 3 pupils back in school but it just isn't the same without our P4-7 pupils too. Hopefully we will all be back together again soon. We are so proud of all our learners both in school and online. Here are a few quotes from our teachers:

I am so proud of P1, they are doing so well being back. In P1 and P1/2 we have had lots stories and discussion about worries that we may have and strategies that we could use to deal with them. They also learned that everyone has worries and it is perfectly normal. The children have been learning that they can be in control and deal with their own worries in different ways. **Mrs Andrews**

I am keen to say how amazingly the children have done at settling back in. I know I can't speak for everyone, but Primary 1/2 have been total superstars! **Miss Clowes**

It's fantastic to see that children continue to persevere under difficult circumstances and are producing creative, innovative work using all that the 'Online, Virtual World' has to offer them. **Miss Dalgleish**

The children have embraced online learning and I'm proud to see the independent learners they have become. **Miss Dunlop**

I'm so impressed with the mature attitude of Primary 3/4, even though some are learning at home and some in school. They are a credit to us all. **Miss Gordon**

Stopping the spread starts with all of us.

- Remember to wear face coverings when dropping off and collecting your child.
- Avoid crowds, keep a safe distance. Park and stride.
- Clean hands regularly and ensure you cough/sneeze into your elbow or tissue.
- Two metres apart at all times, keep each other safe.
- Self-isolate if there are any symptoms or if you are told to do so.

*** Fair Trade Fortnight ***

Last week a Fairtrade assembly took place. This was planned and led by Mrs Roberts and Miss Smith. Thank you to the Co-op for their Fair Trade donations of flowers and Fairtrade products that will be awarded as prizes on Friday 05 March. Children have been taking part in a competition linking to Fairtrade Flowers and we will share winners on the app.

*** Stranger Danger ***

As the lighter nights approach, we have been speaking to the children in school about how to keep themselves safe when out and about within the community. We would appreciate if you could speak to your child to reinforce the importance of not speaking to strangers. Here are some of the other key messages that we have spoken to the children about:

- Only play in SAFE places
- NEVER play in an unfamiliar place
- Have a friend go with you when you play
- DON'T stay out after dark
- NEVER go ANYWHERE without your parents' permission
- ALWAYS check in with parents before changing locations, or if late.
- DO NOT speak to strangers
