

Rangers v Celtic Old Firm Legends Game

Five Star International Events are holding a Charity RANGERS vs CELTIC Old Firm Legends Game at Fauldhouse United F.C ground Park View Sunday 9th March. Gates will open 12pm, kick off will be at 1pm.

We are looking to invite all local children of primary school age to attend and be mascots for the day. This would include the kids gaining free entry to the game and making a guard of honour on the pitch for the teams coming out. We would love to invite all age groups from your school to come along, participate in the guard of honor and have a fantastic day meeting the Legends and special guests. We will present you with a signed Scotland print, this can be used as a raffle prize for extra school funds.

We will contact you on Tuesday 4th March to clarify how many children have shown an interest in attending this event. We will then deliver wristbands on Wednesday 5th March to be distributed to children wishing to attend.

We will be supporting West Lothian Foodbank who will be in attendance. Any food parcel donations on the day would be much appreciated.

Approximately 20 minutes before kick off, there will be a tannoy announcement asking all mascots to form the guard of honour on the pitch for the players.
