Your ref

Date 26 March 2024

Dear Sir/Madam

**A926 High Street, Rattray  
Carriageway Patching**

Perth & Kinross Council intends to undertake essential carriageway patching on A926 High Street between the junction with Balmoral Road to Hatton Road as per the extents shown on the enclosed location plan 3508123\_01. The works are programmed to commence on Thursday 25 April 2024 and will take approximately 1 week to complete, including the weekend. Please note these works are weather dependent and there may be delays.

The works will be carried out under a full 24-hour road closure with a suspension of parking and loading for the duration of the works. We are carrying out deep repairs to the carriageway structure and the road closure is required to ensure the works are undertaken safely and efficiently as possible.

The official diversion route, during the works is via A926 – Alyth – B954 – Meigle – A94 – Coupar Angus – A923 Blairgowrie and vice versa. This is shown in green in the enclosed location plan 3508123\_01.

Vehicular access to properties/businesses within the site extents will be maintained when the works allow, and it is safe to do so, however, please expect some delays. Pedestrian and emergency service vehicle access will always be maintained.

Regrettably, there shall be some inconvenience and disruption whilst the works are taking place, and we will endeavour to keep this to a minimum. I would like to take this opportunity to thank you in advance for your co-operation.

If you require any further information or have any queries, please contact Stewart McGregor on 01738 476476. If Stewart McGregor is not available, then please contact Cameron Kirby on 01738 475000 or [CKirby@pkc.gov.uk](mailto:CKirby@pkc.gov.uk).

The alternative contact, if the above are both not available, please contact Ross Greszczuk on 01738 475000 or [RJGreszczuk@pkc.gov.uk](mailto:RJGreszczuk@pkc.gov.uk)

Yours faithfully

Ross Greszczuk  
Engineer
