

NHS TAYSIDE CAMHS NEURODEVELOPMENTAL PARENT PORTAL

Looking for expert tips and tools to support your child's neurodevelopmental journey?

The CAMHS Neurodevelopmental Parent Portal is a dedicated space for expert guidance, practical tools, and a wealth of resources—accessible anytime, anywhere. The Portal offers information and support around common neurodevelopmental concerns with strategies designed to help you navigate challenges and celebrate progress.

To access the site:

Use this link or scan the QR code:

Once you setup an account, you can create a personalised dashboard and save your progress as you work through the site. *Have an account already? Continue to use your code as normal.*

The following training may also be of interest...

Understanding & Supporting Your Child

Join our 2-week online programme designed to deepen your understanding of neurodiversity and what this means for your child. We'll explore both preventative and real-time strategies to support your child's development, while focusing on creating a personalised profile that highlights their strengths.

The courses run every school term and you can choose between daytime or evening sessions. Once you have completed this course you will receive the link to access our 4 follow-on sessions. Find out more information on our Eventbrite page, new dates are added regularly:
