14th February 2020

Dear Parent

Sharing the Learning Coffee Morning

As you are aware from our annual calendar and recent newsletter, our next Sharing the Learning Coffee Morning is on Tuesday 18th February. As with the last session, parents are welcome to join us between 9:15am and 10:30am.

The focus will be learning and teaching in Numeracy and Mathematics. As part of our effort to raise attainment in Numeracy, we have introduced 'Number Talks' is a short, ongoing daily routine which aims to improve computational fluency. Classes will be holding Number Talks during your visit. We have also developed a parental information leaflet for you to take home with you.

Tea and coffee will be served in the ICT suite, where your child's Learning Journey (Personal Learning Plan) will be available for you to comment on, please take time to discuss current and future learning targets with your child.

For those parents unable to attend, your child will bring home their Learning Journey (Personal Learning Plan) for your comments and discussion about future learning targets. A copy of our new 'Number Talks' information leaflet will also be issued.

Thank you for your continued support.

Yours sincerely

A handwritten signature in cursive script that reads 'Kirstine McDonald'.

Kirstine McDonald
