Christmas Crafts & Activities

Christmas Crafts & Activities

We are all disappointed that we can't invite families into school for a fantastic Christmas Fayre this year. The staff and children are keen to hold some form of Enterprise and fundraising event. We will have crafts for sale and a few Christmas activities including a raffle for a fabulous Christmas hamper, guess the number of sweets, and guess the weight of the cake etc. These are being managed in a COVID secure way.

It is through this type of fundraising that we can boost our school fund, enabling us to subsidise the cost of trips, buy trophies and medals for the prize giving, purchase new costumes for school shows, buy additional class resources, make transition packs and give books to new P.1 children, purchase the P.7 leavers' gift and subsidise the leavers' treat. Throughout the year our fund is also used for buying prizes, snacks and drinks for parties, paying transport and fees for sporting events etc. It is through our fund that we pay the full cost of swimming lessons, many other schools ask parents to pay or to part pay for these.

Thank you for your ongoing support.

Games/Activities

These will run from Monday 14th to Friday 18th December, winners announced on Monday 21st December. Children can bring money for these and it will be managed in line with our COVID mitigations.
