3rd October 2022

Dear Parent

Learner Conferences (Parents' Night)

I am delighted to invite parents into school for Learner Conferences (Parents' Night). These will be held on **Thursday 13th October**. To help children understand themselves as learners, they should be included in regular discussions about their strengths and areas for improvement. In school, children receive this information through feedback on their work and through Learner Conversations which we are developing as part of our School Improvement Plan.

By shifting the focus from Parents' Night to Learner Conference it firmly places children at the centre of this discussion and includes them in the process of sharing their strengths and planning next steps. The appointments will be held in the school hall and your child should participate in the appointment. We appreciate that there may be things you wish to discuss without your children present and you can ask them to step away for this. You are encouraged to look around your child's classroom to see their learning. There will also be some graffiti walls to gather your views on a range of aspects of school life.

Please indicate below your preferred time slot and return the pro-forma to the school by Thursday 6th October. For families with more than one child, additional space has been provided below and we ask that you return the slip with your eldest child. **If you have completed the online form, there is no need to return this letter.**

Should you have any questions, please do not hesitate to contact me. Thank you for your support.

Yours sincerely

Kirstine McDonald
(Head Teacher)
