Standby menu/overleaf

With the remaining uncertainty of COVID-19 and the current 'Test and Protect' guidance, Facilities Services may have to introduce an emergency menu selection for pupils at short notice.

For this we are introducing a new nutritious lunch box which will contain the following:

- a good portion of starchy food, for example a 50/50 sandwich, a baguette or a pasta pot,
- a portion of lean meat or fish, for example ham, chicken or tuna,
- a portion of fruit for example an apple, satsuma, melon etc and a portion of mixed salad or cucumber batons with dip,
- a portion of dairy food, for example an individual yogurt or cheese for a sandwich,
- we also include low sugar and low fat home baking a couple of times a week,
- chilled fresh drinking water is available in the dining room to accompany the lunch.
- We would urge you to visit the council website to see our nutritious packed lunches in pictures.

- We want to be able to supply your child with a safe, nutritious, fresh and chilled packed lunch that they will enjoy.
- The lunch box will be made up fresh daily, packed in individual boxes and chilled in time for your child's lunch.
- So no worries about your child's lunch sitting in a bag at room temperature encouraging bacterial growth.

Pupils who have special diet requests already registered for the following diets can be accommodated during this menu:

Gluten free	Dairy free	Soya free	Sesame free
Nut free	Egg free	Halal	

This menu will only come into effect if/when our team of catering professionals are not in a position to provide our extensive advertised menu, overleaf.

The service, along with the school will endeavour to keep any changes to a minimum and notify parent/carers as soon as possible.

If you need this information in another language or format, please contact us to discuss how we can best meet your needs.
