Dear Parent

**Christmas Performance Video**

In order to share the video of our Christmas performances, we will be using You Tube as the host site with access being through our School App.

To ensure the video is only visible to our parents, it will be saved as 'unlisted'. This means that the general public cannot search for the video or find it accidentally. The only means to access the video is to have the direct link. We will post the link securely in our School App, which as you know, is secured by a username and PIN. If you do not have the School App, please download this if you wish to view the video.

As the only way to access the link is through the School App, we have used this consent form as permission. The school office will contact parents of any child who has not returned their consent form or who has not given consent. For some classes, the children aren't visible on the video e.g. P.7/6 have made their own animated movies.

The video will be uploaded on Friday 17<sup>th</sup> December.

Thank you for your continued support, please do not hesitate to contact us if you have any questions.

Yours sincerely
