Dear Parent

Industrial Action – Continuity of Learning

At the time of writing, the industrial action (strikes) planned for next week are still expected to go ahead.

Teaching staff, myself included, are not on strike and have 3 full days of professional learning and development worked planned through our School Improvement Plan.

To provide continuity in children's learning, the staff has planned a range of learning tasks and activities for the children.

P.2/1 and P.4/3: Your child has been issued with a folder containing the tasks/activities for the 3 days.

P.6/5 and P.7/6: The learning opportunities for children will be published on Google Classroom in the same way tasks were issued previously during COVID lockdowns and with our previous approach to homework.

Unlike the unusual circumstance of COVID lockdowns, there will be no live teaching or video lessons.

Should there be any changes to the school closure over the holiday weekend, this will be updated on our App and on Twitter.

Thank you for your continued support.

Yours sincerely
