

## Literacy

### Reading

Pupils will be continuing to work on a class novel and group novels / books.

The key reading strategies this block are:

- summarising
- prediction
- sequencing
- note taking

They will continue to engage with books which will be read aloud to develop their reading fluency and understanding of a text.

### Writing

Pupils will be developing skills in:

- **Information, instructional and narrative writing.**
- Selecting relevant information and organising it in a logical sequence.

### Spelling and Phonics

Children will be building skills in:

- Using knowledge of sight vocabulary and phonics to read with understanding.
- Spelling the most commonly used words.

### Class Cover (Mrs Cairns)

#### Listening and Talking

- Showing an understanding of texts that we have watched or listened to and then contributing to discussions on these areas.
- Working on taking turns and responding appropriately.

#### Expressive Arts

In Expressive Arts this term we are doing Art. The focus will be on learning about line and colour. We will be learning how to use a variety of lines to create images and how to blend and mix colours effectively.

## Homework

- Spelling strategies and activities
- Reading books and activities
- Numeracy work and times table learning
- Pupils are encouraged to engage in personal reading at home. This could be novel, recipes and news articles.
- Issued on Mondays; returned on Fridays
- All homework via Google Classroom.

## Numeracy & Mathematics

### Number and Number Processes

- Using addition, subtraction, multiplication and division to solve problems.
- Understand the link between a digit, its place and its value.

### 2D & 3D Shape

- Identify and name 3D objects and 2D shapes, describing their features using appropriate vocabulary.
- Explore how and why shapes fit together.

### Measurement

- Estimate how long or heavy an object is, or the amount it holds.
- Measure or weigh, using the appropriate instruments and units.

## Health & Wellbeing

This term, we will be focussing on safe and unsafe situations, the Eat-well Plate, physical fitness and friendships.

Children will be developing skills and awareness in:

- The role physical activity plays in keeping healthy, as well as the importance of a balanced diet.
- How to assess and manage risk, protecting themselves and others, as well as how to reduce the potential for harm.
- Building positive relationships and showing respect for others.

### P.E

Children will be developing skills in:

- Working and learning with others, improving their range of skills, demonstrate tactics and achieve identified goals.
- Linking actions to create movement patterns and sequences.
