

LEARNING TREE (Remote Learning)

(This is what I will be learning over the next few weeks)

CLASS: P6

Mrs Murray

DATE: January - March 2021

In Maths & Numeracy we will learn to:

- reinforce the times tables to multiply and divide focusing on speed and agility
- use rounding (i) to 10, 100, 1000 (ii) of up to 4 digits (iii) of decimal numbers
- use four operations $+$ $-$ \times \div (i) using 3 digit numbers; (ii) up to 5/6 digit numbers (iii) with decimal numbers
- use different strategies to solve word problems e.g. try a simpler case
- understand and use negative numbers
- investigate 2D shapes e.g. tessellations
- use decimal numbers and link to percentages
- use measure, weight and volume in everyday life e.g. (i) know $1000\text{g}=1\text{kg}$ (ii) convert between kg and g
- find out about famous mathematicians

In Language and Literacy our main focus will be:

- reading/listening/watching a variety of texts to find information
- to take notes as we listen/watch/read
- to demonstrate understanding of fiction and non-fiction texts
- create different texts e.g. personal and persuasive texts and factual reports (i) including key information (ii) using more detail (iii) using VCOP
- use different techniques to present work attractively
- use Scots' language
- revising and using key French vocabulary e.g. colours, days, months, dates etc

In Health & Wellbeing our main focus will be on Emotional Wellbeing

We will be learning:

- to identify emotions and feelings
- strategies to manage emotions and feelings
- ways of building positive relationships
- to use Growth mindset strategies
- to understand ways we can maintain good health e.g. good hygiene, being active, good sleep routine etc
- develop safe and acceptable use of technology - Internet Safety

In Social Studies, Science and Technologies through our context of Rainforests, we will be:

- encouraged to appreciate the diversity of living things;
- investigating and classifying living things
- developing our understanding of how plants benefit society
- making suggestions about how to live in a more sustainable way

In Expressive Arts our main focus will be:

- to create images and objects which show an awareness and recognition of detail.

Stay safe, everyone!
