

Education & Children's Services Improving Lives Together Ambition | Compassion | Integrity

17th February 2021

Dear Nursery Parents/Carers,

Following my whole school Phase 1 return letter, I would like to outline some further details which are pertinent to our Nursery families only.

If you have any further questions, please do not hesitate to contact us.

Regards,

SJMcKenzie

Ms Suz McKenzie
Abernethy Primary & Nursery Headteacher

Drop off and pick up groups

- Mrs Roe shall advise you of your child's drop off and pick up group.
- Please can I ask all parents to keep to these times and to remain as prompt as possible. We found last term, as we transferred to our new 1140 hour routine, families were often picking up after 3pm. Please note some staff members now finish at this time and so it is imperative that all pupils are collected by the end of the Nursery day, which is at 3pm.
- We have worked hard to keep siblings of pupils in the main school, together in one group. If this applies to you, can I please ask that you drop your Primary pupils off **FIRST** and then follow on to the Nursery.

New Pupils

We are so looking forward to welcoming our new pupils into our Abernethy Nursery family.

To help this transition we would like to offer you to attend a welcome drop off in our Nursery garden and a phased entry to the Nursery week. Families do not have to take this up, but we feel it is important to offer this as part of our welcome and settling in package.

If this applies to your family, please can you **copy, paste, complete and return** the following information via email. We shall then invite you to attend an allocated welcome slot.

Please note, social distancing must remain at all times during the visit to the Nursery garden. To ensure the safety of all, one adult only is permitted to accompany each child within the garden.

Copy, paste, complete and return:
