- Order and sequence events in a day.
MNU 1-11a, MNU 1-11b

This is what we aim to cover this term. We will continue to guide the learning on Seesaw with daily posts and links to activities. Please do not feel pressurised to complete every task or replicate the school day.

Free Play and helping with jobs around the house are still learning! These are difficult times, just do what is best for your family.

Sincere Best Wishes from Mrs MacDonald and Mrs Livingstone

How you can help

Play word games - Scrabble, Boggle, I Spy or Hangman.
Continue to share and enjoy reading with books from home and online texts.
Play number games such as Connect 4, Snakes and Ladders, Uno
Support independent writing, encourage children to use spelling rules and have a go with new words.
Make a word book - personal dictionary as reference guide.
Encourage independence and taking responsibility through household chores, cooking etc.

Interdisciplinary Learning

The Human Body

- Find out about the skeleton and how the body moves
- Investigate body systems and major organs
