

ROMPS Parent Council Newsletter

March 2021

2021 meeting dates:

Our next meetings are on:

Tuesday 16 March

AGM – May (date to be confirmed)

Meetings take place at
7.30pm via ZOOM.

If you would like to attend any meetings and are not currently on the committee email list, please email rompsparents@gmail.com for the meeting link and password.

What is the Parent Council?

- The Parent Council at ROMPS has two main roles: **fund-raising activities** and **representing the parents of ROMPS** within the school and the wider community. We are available to Mrs Thomson and her staff to **support the work of the school** and to **provide a voice for parents** on issues that are important to families.
- Like everything, the way we operate is significantly different right now and we are unable to run the events that we normally would. However, we still meet regularly and look forward to the time it is safe to resume these.

Latest news:

- Many thanks to everyone who ordered Borders Biscuits through us. We raised £125 from this partnership.
- Well done to everyone who took part in our December “Craft It” challenge. Your creations were fabulous!
- Although we have not been able to run events this year, we have still managed to support the school in the following ways:
 - Purchasing an online Pantomime which was enjoyed by all pupils in December 2020.
 - Contributing towards the P7 Yearbook Cost.
 - Purchasing gifts for the P7 leavers and P1 entrants for June 2021.
- At our most recent meetings we have heard from Mrs McCallum about the Emotion Works programme which is being used across the school to support health and well-being, heard from Mrs Thomson to keep us updated about life in ROMPS and heard what is happening at council level through feedback from regular Parent Council Chair meetings.

Look out for...

Our March “Rate It” challenge coming very soon!

We are very excited to be partnering with ROMPS House Captains who will be promoting this challenge through the school Teams and awarding house points for completed challenges. Look out on the school Twitter page and Teams pages for the details of this challenge.
