

## Numeracy and Mathematics

Children will be developing skills in:

- Multiplying
- Dividing
- Problem Solving
- Perimeter
- Area
- Recognising how maths is used in real life situations

All learners will be challenged at a pace appropriate to their learning.

## Homework

Our homework focus is **Reading** and children are invited to do one or more **discussion** tasks each week with an adult at home.  
A Maths task will also be provided each week and we will continue learning and revising the Times Tables.

Children should access Microsoft Teams through Glow, where they can access Maths tasks in Assignments.

Children can use Sumdog at home.

## Literacy

Children will be developing skills in:

- Listening and Talking – Discussions/Quizzes on Newsround's current issues
- Reading – book week
- Grammar – Onomatopoeia
- Spelling - New approach to spelling being introduced
- Writing - Punctuation

## French

Children will be developing skills in using French vocabulary and phrases connected winter and Christmas.

## Health and Wellbeing

Children will continue to be encouraged to

- talk about their emotions in small group settings.
- use positive language as part of learning in Growth Mindset

The **Mindset Mantras** for this term are:

**October-** My brain is like a muscle that grows

**November-** I am a valued member of this learning community

**December-** We love a challenge!

The **Rights** for this term are:

**October-** Article 31- I have the right to relax and play

**November-** Article 12- I have the right to be listened to and taken seriously.

**December-** Article 24- I have the right to good quality health care, to clean water and good food.
