

## Numeracy and Mathematics

We will be working on the following topics in Numeracy, which will be differentiated:

- Chance – using the vocabulary of the likelihood of events reoccurring.
- Maths, Present, Past and Future – learning the importance maths plays in the world, jobs which require maths and maths throughout history.
- Expression and Equation – comparing and describing number relationships. Using greater than and less than symbols.

## Health and Wellbeing

Our Monthly Mindset Mantras this term are:

**April** – There's a difference between not knowing and not knowing yet!

**May** – I got this!

**June** – I can't take care of others if I don't take care of myself.

**During this term Focus Weeks will be:**

Online Safety, Rail Safety and Equity Week.

- We use health and wellbeing check-ins daily to express how we are feeling.
- We continue to focus on adopting and practicing Growth Mindset in our learning
- **P.E:** Outdoor P.E takes place on a **Friday**. Our learning this term will focus on golf and summer games. Indoor PE is on a **Monday** and this term we are focusing on team games and sports day preparations.

## Suggested Homework

Room 4a homework is focused on literacy: Children will be set their homework on a Monday for return on Fridays. They will be given their weekly phoneme and common words. Children can choose two active spelling strategies to embed their common and phoneme words and reading their set text as they wish. It is helpful for children to be heard reading throughout the week. Reading books are issued on Thursdays as we read with the children throughout the week in class. There is no set numeracy homework, though children can log into Sumdog, should they wish. Their log in is at the back of their homework jotter. Giglets online reading platform log ins have been issued to promote reading for pleasure.

## Room 4a Primary 3 - Ms Picton & Ms Jenkins

April – June 2023

Ms Picton loves her garden and cooking. Ms Jenkins loves spending time with her family!

## Learning Across the Curriculum

The children will be learning about aspects of Viking life in Social Studies and will visit Vikingar! in Largs for an immersive learning experience linked to this topic. In RME we will be exploring stories from world religions,

## Literacy

- Phonemes and spelling - These will be developed through using a variety of active spelling strategies.
- Reading - The pupils will continue the reading programme in accordance with their book band using Oxford Reading Tree and other banded texts.
- Writing - Learners will develop their writing skills in creative and narrative writing.
- Handwriting - Pupils will work on joining their phonemes weekly and using them in a sentence. Letter formation is practised daily.

## French

French will be incorporated throughout the curriculum each day. We call the register in French, use French greetings daily and play French number games. This term we will be learning useful words and phrases to use in the school day.
