

Numeracy and Maths

All children will be challenged at a pace appropriate to their learning. Numeracy will be differentiated with children developing skills in:

- Number recognition and formation to 100 or 1000
- Ordering and sequencing numbers to 100 or 1000
- Matching number symbol to quantity
- Recognising the number before, after and between a given number
- Addition within 20 or 100
- Subtraction within 20 or 100
- Understanding number bonds to 20 or 100
- Identifying patterns and relationships
- Using appropriate vocabulary to describe complex 2D shapes and 3D objects

Children will explore Number Talks strategies to develop Mental Maths knowledge. Pupils will investigate numbers and strengthen understanding and skills through active maths games, mental maths activities and interactive games using ICT.

Learning Across the Curriculum

Interdisciplinary Topic - New Lanark

Children will be developing the following skills:

- Comparing aspects of their lives with people from the past
- Investigating historical figures and discussing their life and actions

Science

- Recognising positions of the Earth, Moon and
- Observing and describing changes in movements of the Sun and Moon.

Health and Wellbeing

All children will be learning about:

- Protective Behaviours
- Our monthly Mantra
- 5 ways to wellbeing
- The right of the month

We will be exploring Emotion Works and the 5 Cogs:

- Emotion Words
- Body Sensations
- Emotion Triggers
- Emotion Behaviours
- Regulation Strategies

Indoor P.E. – Monday

Outdoor P.E. – Tuesday

All children will be developing ball skills through possession games (Basketball/Netball) and Athletics skills. Please ensure your child wears weather appropriate clothing and footwear.

Room 3 - Primary 2/3

Miss Hill

August - October 2023

Miss Hill has a Bernese Mountain Dog called Bear. She enjoys taking Bear for lots of walks in the countryside. Miss Hill loves baking, playing games and watching her favourite TV shows.

Dates for your Diary

- September weekend – 22nd to 25th September
- October week – 16th to 22nd October

Literacy

All children will be challenged at a pace appropriate to their learning. Children will be developing skills in:

- Phonics and spelling, using a variety of active spelling strategies to enhance learning
- Handwriting, using active and written methods to join phonemes and transfer this skill across written tasks.
- Reading, through books corresponding to their book band and by exploring a variety of texts using different reading strategies.
- Writing, by learning more about vocabulary, connectives, openers and punctuation.
- Narrative writing
- Literacy through our class novel 'The Enchanted Wood' and 'The Magic Faraway Tree'.

French and Spanish

- Calendar
- Greetings
- Colours

Homework

- Phoneme(s) and phoneme word lists
- Common words spelling list
- Reading book and key words
- Children are encouraged to continue to use Sumdog, Giglets and the Bloom's Reading Rings to aid learning.

Children will be given a homework jotter to support learning at home. The jotter does not need to be returned to class.

Giglets - A range of books will be available on Giglets to promote reading for pleasure.

Sumdog – Numeracy and maths activities. If your child prefers to use technology, phoneme words and common words can be practised at home using Sumdog.
