## Should I keep school or childcare?

Until
at least 5 days from the onset of the rash and until all blisters have crusted over
48 hours after their last episode
they no longer have a high temperature and feel well enough to attend. Follow the advice on NHS inform if they've tested positive for COVID-19
their sores have crusted and healed, or 48 hours after they started antibiotics
4 days after the rash first appeared
5 days after the swelling started
they've had their first treatment
24 hours after they started taking antibiotics
48 hours after they started taking antibiotics

## but make sure you let their school or childcare know about...

Glandular fever	Hand, foot and mouth
Tonsillitis	Head lice
Slapped cheek	Threadworms
