

Numeracy and Mathematics

We will be working on the following topics in Numeracy & Mathematics, which will be differentiated:

- Subtraction 20/100
- Multiplication
- Time
- Money

We will use active strategies to support their learning: Numicon, ICT, Concrete materials, Number lines and squares.

Suggested Homework Guide

This year we will be focussing on reading for homework. Children are encouraged to read every day. Children will be allocated a book weekly on Giglets that they can also read for enjoyment. Children can go on Sumdog as often as they like at home to support their maths learning. See a suggested layout below:

Monday	Literacy jotter (1 activity on phoneme words) Reading book
Tuesday	Reading book Phonemes and Common Words – word tin
Wednesday	Literacy jotter (1 activity on common words) Reading book
Thursday	Reading book

Room 3 - Primary 2/3

Mrs Johnson/Mrs Dobbin

January – March 2023

Health and Wellbeing

Each month we will continue to refer to:

- **Mindset Mantras –**

Feedback is a gift – accept it. (January)

A goal without a plan is just a wish. (February)

Mistakes are opportunities for learning. (March)

- **Rights of the Month –**

29 – All children have the right to an education that develops their personality.

15 – The right to meet with friends and join groups.

33 – All children have the right to be protected from dangerous drugs & substances.

7 – Children have the right to a name and to belong to a country.

- **P.E –**

Outdoor P.E- Hockey / Mini - Athletics

Indoor P.E. – Fitness/Badminton

Dates for your Diary

Thursday 12th January – Parental Consultations

Wednesday 18th January – Class Photographs

Monday 23rd January – World of Work Week

REMEMBER

Literacy

Pupils will be developing and enhancing:

- *Phonemes and spelling* - These will be developed using a variety of active spelling strategies & activities.
- *Reading* - Continue the reading programme in accordance with their book band. We will be exploring non-fiction texts.
- *Writing* - Pupils will develop writing for a variety of purposes
- *Handwriting* - Pupils will work on letter formation & joining their phonemes weekly, transferring this into their daily written work.
- *Talking & Listening* – Pupils will work on speaking clearly with confidence, using body language, gestures and eye contact and register, language, tone & pace.

Learning Across the Curriculum

Scotland

Children will learn about different Scottish inventors and how their inventions contribute to life now. We will link this to many other curricular areas to enhance knowledge and understanding: *Literacy, Art, Technologies & Science.*

Children will work towards an oral presentation on an invention of their choice.

Children will also explore Scottish food & agriculture and the work of Scottish artists.

French

French will be incorporated throughout the curriculum each day. We will explore:

- Weather
- Clothes
- Classroom Objects
