What's next?

Look out for another fundraising event in the Spring term...

Did you know?

January 2022

What have we been doing?

- We continue to meet monthly to discuss Parent Council and school business. We also have an active agenda to discuss matters important to parents.
- So far in session 2021-2022, we have been busy planning events, we have worked with the school to look at COVID recovery, the School Improvement Plan and discussed the Curriculum Rationale. We have also heard monthly updates on what's been happening at ROMPS.

Fundraising and spending:

- **Fundraising was a priority** for us this year as we started the year with very limited finances due to the circumstances of the last few years.
- In September, we ran a very successful 2021 miles challenge and were delighted as a school community to walk 2686 miles and raise £983 in doing so. This money was donated to the school towards the cost of all pupils attending the Pantomime at the Memorial Hall in December.
- In October, we set the classes a Halloween coin picture challenge and were amazed at the creative art work produced. This challenge raised £191.71 which allowed us to pay the deposit for the school yearbook.
- In November, we ran our Borders Biscuit promotion and through sales from this raised £338.50. In December we held our annual Christmas gift sale and gave all pupils a wooden decoration to personalise. The sale raised £535.55. These events allowed us to provide a Christmas treat for all pupils in the form of a storyteller and s'mores around the fire. Any money left over from these will be used towards gifts for P7 leavers and P1 entrants.
- We would like to express a huge thanks to everyone who has supported these events and in turn provided the experiences for pupils mentioned above.
