

## Numeracy and Mathematics

Children will be developing skills in:

- Place Value – numbers to 100/1000
- Estimating and Rounding to the nearest ten and hundred
- Properties of 2D and 3D shapes
- Angles, Symmetry and Transformation
- Patterns and Relationships
- Number Talks

Using active strategies to support learning including: Numicon, ICT, Concrete materials, Number lines and squares.

## Health and Wellbeing

Each month we will continue to refer to:

**Mindset Mantras:** Aug – Learning is a practice, not a perfection. Sep – Everyone can learn.

Oct – My brain is like a muscle that grows.

**Rights of the Month:** 28 – Every child has the right to an education. 19 - All children must be protected from all forms of violence, abuse, neglect and bad treatment. 24 - Every child has the right to the best possible health care.

**EmotionWorks** – we will use daily check ins to express how we are feeling and what we can do to manage our emotions.

We will also be looking at **Road Safety** and understand the dangers of traffic.

## P.E

**Indoor P.E.**(Monday) -Possession Games (Netball)

**Outdoor P.E** (Wednesday) - Athletics

## Suggested Homework Guide

This year we will be focussing on reading and spelling for homework making use of Giglets and Sumdog for fun and engagement.

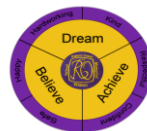

- Reading – children will be issued with a physical reading book at their level.
- Giglets – children will be encouraged to use read books online to promote reading for pleasure. Select and read one book per week.
- Sumdog Spelling – children’s spelling words will be changed on a weekly basis and they will practise their spelling through games. Uploaded on a Monday and games played before Friday.

Children will still be issued physical phoneme and common words cards weekly, these can be cut out and used for active games. They will be given a homework jotter to use at home if they would like to practise spelling on paper, but there is no expectation for this, except for us to stick in weekly spelling words.

## Room 4a – Primary 3

### Miss Ritchie/Mrs Johnson

### August – October 2023

## Dates for your Diary

Fri 22<sup>nd</sup> – Monday 25<sup>th</sup> Sep – September weekend

Mon 16<sup>th</sup> – Fri 20<sup>th</sup> Oct – October Week

## Literacy

Pupils will be developing and enhancing:

- *Phonemes and spelling* - These will be developed using a variety of active spelling strategies & activities.
- *Reading* – read and understand a variety of texts using different reading strategies.
- *Writing* - Pupils will use VCOP to develop writing for a variety of purposes
- *Handwriting* - Pupils will work on letter formation & joining their phonemes weekly, transferring this into their written work.
- *Talking & Listening* – Pupils will work on speaking clearly with confidence, using body language, gestures and eye contact and register, language, tone & pace.

## French

French will be incorporated throughout the curriculum each day. We will explore:

- Greetings
- Number
- Calendar

## Learning Across the Curriculum

Children will be exploring the novel George's Marvellous Medicine by Roald Dahl. This will be an interdisciplinary project looking at aspects of Science, HWB, and Literacy. They will create a recipe for their own medicine and explain what it will do to our bodies. Watch this space!

## ICT

Children will explore the features and become independent using:

- Giglets
- Sumdog
- Microsoft Word
