

West Mains School Improvement Plan 2022-23

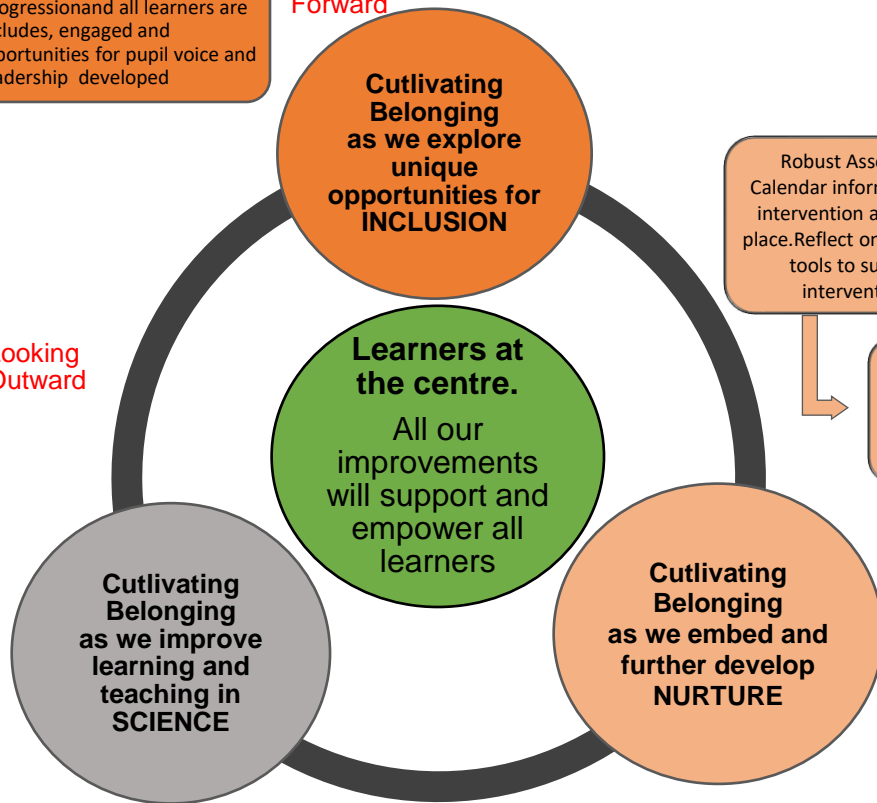

A Guide for Parents/Carers and families

Each learner in West Mains School is unique with individual support needs, talents and interests. Each learner is supported to engage with learning in all aspects of the Curriculum for Excellence. Our School Improvement Plan describes how we will work together to make West Mains a better place for all learners. Here is a summary of the kinds of things we are working on this year.

Our Improvement Agenda

We are working to be better at...

Develop a shared understanding of equity and inclusion across the school by staff, families, and pupils: vision statement/rationale.

• Looking Inward

Reconnect and enhance more formal and meaningful targeted inclusive learning opportunities

• Looking Outward

.Build inclusive meaningful practices ensuring progression and all learners are included, engaged and involved. Opportunities for pupil voice and leadership developed

• Looking Forward

build confidence and expertise in teaching of STEM through engagement in a science learning and teaching project with other schools

• Looking Inward

Working collegiately to extend exciting play-based and literacy-rich approaches to Science.

• Looking Outward

Learning and teaching reflects the staff training with high quality literacy and play-based approaches. Clear guidelines and progression focussing on skills in place. New resources in place as appropriate. Pupils leadership opportunities in place.

• Looking Forward

Robust Assessment Calendar informing staged intervention approach in place. Reflect on assessment tools to support interventions.

• Looking Inward

Visiting other schools to learn more. Staff training enhancing skills and understanding

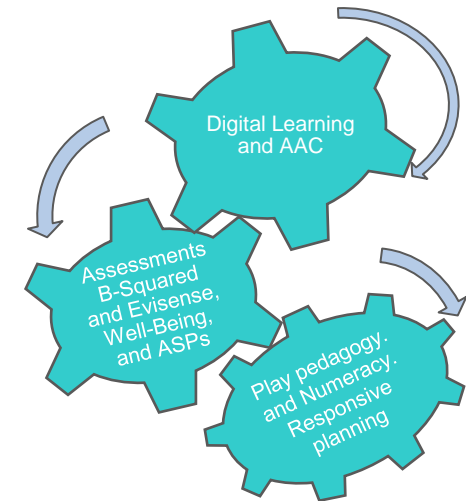

• Looking Outward

Rights Respecting Schools Award and nurture approaches used to enhance learners' well-being. All learners supported through a range of interventions, in groups, with families and individually. Mental health awareness raising and opportunities to enhance understanding and support.
