### P7 WOW Workshop

The P7's enjoyed the World of Work workshop they attended virtually recently and learnt a great deal about art coding. They learnt how to use coding to make shapes and then change the colours of them.

### Vikings Topic

We have been studying the Vikings over the past few weeks.

Pupils have been making their own Viking ships out of cardboard and other materials and have made a great job.

They made a Viking ship outside and they all had to row in unison on the big ship. 'Heave Ho'.

### **Parent Meetings and Reports**

We have sent out instructions for you to follow to book your parents meeting with Mrs Georgeson, if anyone has any problems doing this please let us know.

Reports this year will be sent out towards the end of term to allow Mrs Georgeson more time to evaluate pupils. Ms McTeir has produced some reporting comments as well and these will be included in the reports.

### **P7 Transition**

P7 have started to attend weekly teams assemblies with the High School, they had the first one this week and got to meet Mrs Lothian, the Headteacher and Mr Angus, one of the pastoral teachers. They explained about classes and timetables, breaks and lunchtime arrangements and S6 buddies that they will have to help them amongst other general introductions to the school.

We are hoping that they will be able to have their face to face visits in June, Details to follow.

### **Sports Day**

We will be having our sports day on Friday 28<sup>th</sup> May, however we are sad to report that we are unable to invite parents to spectate this year due to covid. We will take lots of photographs and post them on the website/facebook page for parents to view.

### **Shoes**

If your child/ren do not already have an extra pair of shoes at school could they please bring some in to keep here so that if their shoes/boots get muddy during playtime they can change into some clean shoes to wear in the building.

### **Pencil Cases**

Pupils are encouraged to bring their pencil cases back into school now and keep them in their trays.
