Dear parent/carers,

I trust you are well and enjoying the lovely hot, summer weather.

With Session 2023/24 underway, once again, I ask for your support to ensure your child is wearing school uniform at Beath.

White shirt and school tie - the white shirt is perfect for these hot days!

A number of young people have been asking if they can wear shorts to school - the answer is yes, but please make them black and not skintight.

Let's hope this brow spell continues!

Many thanks,

Steve Ross
