Dear Parent/Carer

SCHOOL TRANSPORT APPLICATIONS – AUGUST 2023

I refer to applications for free school transport in respect of:

- (a) Pupils enrolling in Primary 1 for August 2023 who reside two miles or more from school and attend within the school delineated area
- (b) Pupils currently in Primary 7 who are transferring to S1 in August 2023 and who reside three miles or more from their catchment secondary school
- (c) Pupils enrolling in either S5 or S6 commencing in August 2023 who reside three miles or more from school and attend within your delineated area
- (d) Pupils who transfer from another secondary school who qualify for free school transport

All on-line application forms should be submitted no later than Friday 13 January 2023. This is to allow Contract Tendering Deadlines to be met. If this deadline is not met, transport may not be available for August.

On-line application forms are not required for those pupils who will be enrolling in Stages P2-7 or S2-4 next session and who are currently on the list of pupils entitled to school transport.

Paper transport forms are no longer accepted.

The on-line application form has been reviewed and updated but is still accessible through the Angus Council website and [School Transport](#).

Parents/Carers of pupils who receive transport due to Additional Support Needs are required to complete a different On-Line application form as the procedure for this is administered separately.

If you wish assistance regarding which pupils are entitled to free school transport or how to use the on-line application form, please contact Lesley on 01307 491755.

Yours sincerely
