Halloween Party?	R Cross	The school normally organise a small disco/ party for pupils
<p><u>Living Communities Project- Our Values</u></p> <p>The Living Communities Project was a great success. It involved working with Meigle PS and sharing our recently established school values with both school communities, sharing and comparing values of the communities both past and present. The project promoted the importance of community togetherness. Through surveys, interviews, video clips and digital calls we gathered information about the values of past and present across the two communities. The pupils learned to edit videos, sound and create a video to share with the school community to showcase the learning.</p> <p>Big thanks to Cat MacKay</p>		

School wear shop/ Christmas clothes shop	Mrs Christie	Organise a swap shop at the end of term 1- school clothes and seasonal Halloween outfits too. Organise again in term 2.
Joint Christmas event	Mrs Christie	Organise 'Carols in the Playground' at Kettins and invite both school communities.
Veg patch- when the kids do their Autumn tidy up could we maybe ask if parents/carers could help too after school or that week. So we could do a massive weed, tidy up and put cardboard down on the beds to try and protect them from weeds and add nutrients over the winter.	Lynsette Cook	Schedule an autumn tidy up for just after the Oct break
Walk your age in miles	Hayley Donaldson	Kelly Brown to organise forms. Mrs Neave to set up an item in Parent Pay shop
Psychic Night and tombola	Kelly Brown	Kelly to book the Hub, 28 th Oct or 4 November.
Upgrade to park	Mrs Gow	Pupils ideas to upgrade the park would be much appreciated. The Hub might have access to some funding.
Apple Press workshop	Mrs Christie	David from the hub has offered to bring the new apple press over to the school to show the pupils. Mrs Christie to liaise with David to contact school. Pupils can bring own apples from home.
