

Struggling this Summer?

Help is at hand.

The COVID-19 pandemic has made life tough for many - thousands of families across Perth and Kinross are having to make do with much, much less than before. We know that this can make life difficult.

Feeding your children and keeping them occupied during the summer holidays can be a challenge. Perth & Kinross Council wants to help. Together with our Community Planning Partners we can ensure **no child goes hungry, ever.**

We will:

- *take a Cash First Approach and help families maximise income from benefits;*
- *support a schools' "Fuelled for Fun" programme with activities, meals and snacks provided;*
- *support a network of food banks, foodshare outlets, community larders and Give & Take boxes.*

We ask that you:

- *seek help at the earliest possible moment;*
- *donate to food banks and community larders when you can;*
- *enroll your children in a Fuelled for Fun summer holiday programme if you can;*
- *join up to your local Foodshare Scheme or outlet to reduce food waste;*
- *use food banks, community larders and Give & Take Boxes when you need to.*

If you are struggling this summer, here's where you can get help to increase your income and get help with feeding your family:
