

Dear parents

I am sure most of you will have heard or read the announcement from Nicola Sturgeon today that Scottish Schools and Nurseries are to close from Friday 20 March 2020 and may not reopen before the Summer holidays.

Perth & Kinross, Education and Children's Services, has advised all of its schools that "they have been preparing for the possibility of school closures and that preparation continues at pace. More information about a range of matters will follow as soon as it is available, e.g. learning from home".

We have been working very intensively to log all our pupils onto Microsoft Teams as requested by our Head of Service. Your child will have a Glow login and password, children who are in school will come home with these logins. We will email out this information to children who are not in school. More to come on this tomorrow. We will also be using Seesaw to communicate and share learning with children. We will continue to communicate with parents using the school app, email and our usual social media channels. If your contact details including email are not up to date please contact school to update.

All pupils in school tomorrow and Friday will be clearing their trays and collecting their personal belongings. Please give them a bag for this purpose.

These are unprecedented times and things are evolving and changing literally minute by minute. We thank you for your patience and understanding at this very challenging time and we will share information with you as soon as we receive it.

Please take care everyone and keep safe and well.

Best wishes

Annemarie Sands
