

Dear Parent / Carer

Summer term is always a busy term with lots going on. Please take a few minutes to read our newsletter to see the range of events taking place this term.

A look back on Term 3 activities...

We were delighted with a great increase in activities and events for the children last term. Some of the highlights have been:

Rock up and Ride

We were delighted to have had the opportunity to take part in the Rock Up & Ride Cycling Project run in partnership with Scottish Cycling and Transport Scotland. 43 children from 3 different year groups at Robert Smillie have benefited from this project. The groups of children have been going to Chatelherault Country Park on a Friday afternoon to enjoy on and off-track cycling. The children have enjoyed learning new skills, building confidence & resilience and making memories. Every child who participated was gifted a new bike, helmet and gloves. It has been lovely seeing children cycling around the area at the end of the school day, helmets on!

The Voice

Jenny has been working in individual classes and after school. She is now able to get our P4 to P7 children singing together again on a Friday afternoon. They are already sounding great! Some of our children went to The Voice Holiday Camp over Easter too.
