P1 Transition Programme June 2021

- Tuesday 25th May - **Pod Pop-in 1!** Whilst current P1 children are not in their class, our first 2 pods of children will get the chance to be in a P1 class with a teacher for a short time.*
- Tuesday 1st June - **Pod Pop-in 2!** Whilst current P1 children are not in their class, our second 2 pods of children will get the chance to be in a P1 class with a teacher for a short time.*

* School staff will collect and return RSMP nursery children – parents do not attend. Children from other nurseries will be collected and returned from outside at the school front door. All safety requirements stipulated by the Scottish Government will be followed to ensure that children and adults are kept safe.

At these pop-in events, you will be given your child's new school bag, a 'Starting School' information sheet and a reminder of **2 virtual drop-ins (on Wed 2nd June)** that you can attend if you have questions you would like answered.

An invitation to the drop in sessions will come to you by email. Your email address will be visible to all others invited. If you do not wish to be on this invitation, please let the school office know and you will not be sent an invitation.

We will also send you a video link to watch a presentation about Robert Smillie Primary School on our values as a school, and what our school is like for you and your child.
