March / April News

Dear Parents / Carers

COVID 19 Update:

Hopefully the end is nearing as we head towards life without lockdown restrictions. Thank you for your compliance with Covid rules around the school. We really appreciate your social distancing, face cover wearing and ongoing communication with us over children's and family health.

Even now, it is still important that we continue to follow the rules below: If anyone in your family shows symptoms (cough, temperature, change of taste and smell) you must all isolate until a covid test has been completed and results are known.

If you are not sure about what to do, or not sure if your child should be off school or not, please call us and we will go through the process with you.

Easter:

Miss Crawford along with many of the school staff have put together an Easter Challenge. She has made a movie clip of the Easter Bunny when she came to the school! The challenge is for the children to guess how many eggs are in the movie. The movie will be released onto the school app on Monday 29th March. Children will all get a chance to guess in their classes over Monday and Tuesday. There will be a chocolate prize for each class winner.

Easter Easter Sp'egg'tacular 'Egg'stravaganza!

Get creative by making a topical Easter egg display with your child!

On Thursday 25th March we will give each child a hardboiled egg to decorate or to create an Egg Display (you can use more than 1 egg if you want to).

- Please bring decorated eggs / egg displays to the gymhall on the morning of Tuesday 30th March where we will set them out on tables.
- Children will get a chance to see all the displays in the morning with their class.
- We will photo the displays and put them onto the App.

Breakfast club

Breakfast club will reopen following the Spring Break. We need to run it differently to before to comply with Covid Rules. Priority will be given to those who need to use it for essential childcare. We have set out below how it will work.

1. Register your child for breakfast club using a form that will be available on the School App
2. Breakfast Club doors will open at 8.15am – please do not come before this time.
3. Pupils will sit in class groups, eat their breakfast and do a table top activity (such as drawing)
4. Pupils will leave Breakfast Club at 8.45am and go to their playground.

SLC provide the menu for Breakfast Clubs, not the school. At present the menu is Weetabix or toast + butter. Milk / water to drink.

Dress Down Day – Fri 26th March: Dress as a Teacher!

£1 donation can be paid cash or via parent pay and will go to school funds.
