# MATHS RECOVERY

Over the last few years, pupil levels in maths have stayed around the same.

We want to look at this teaching method to improve how we teach and improve pupil learning.

Our journey starts with training 3 teachers and getting them to feed back to other staff!

# UNCRC

Recent legislation has led us, and others, wanting to be more active in how we demonstrate a commitment to children's rights as well as teaching children to be responsible. Pupil Leadership is an important area for us to improve to do this.

# PEER REVIEW

Robert Smillie teachers have been teamed with Lanark Primary and Kirkfieldbank Primary School. Together we will be looking at Pupil Voice and how we can improve engagement of our pupils in their learning.
